

Cash Register Roll Slitter With Auto Core Loader

Cash register roll slitter with auto core loader is completion with automatic plastic core/paper loader for cash paper roll slitting rewinding. Touch screen operation with the machine, PLC control system, variable frequency speed roll adjustable, convenient operation, accurate slitting, end neatly. Machine is very unique design for reduce the labor work strength for the machine operator.

Features:

1. Main control circuit adopts import wiring, insure the control system security and stabilization.
2. Self-induced PLC control system makes zero wastage of product possible.
3. Auto tension control system makes slit exactness

Main Data:

Material: Cash Register Roll Slitter With Auto Core Loader

Model: PPD-CRCL700

Jumbo roll width: 700mm

Jumbo roll OD: 1000mm

Jumbo roll ID: 76mm

Min slitting roll width: Min 25mm

Slitting roll OD:

Slitting roll paper diameter: 12.7mm option

Design speed: 100m/min

Voltage: 380V/50HZ

Power: 2kw

Air supply: 0.6Mpa

Machine dimension: 2760*2210*2300mm
