

Cling Film Rewinder with Dot Line

Fully automatic food film rewinder machine with dot line is ideal working with different food film, include PE cling film, PVC cling film, PE food stretch wrap film with dot line.

This model makes the dot line for easy tear off the food film instead of the cutting blade on the box.

Machine is very simple to operate and user friendly.

In addition, this model can provide the label attachment. It will make the tear off the film easier when the arrow direction is indicated.

Technical data:

Name: Cling film rewinder with dot line

Model: PPD-ACR450L

Mother roll width: 450mm

Mother roll inner diameter: 3inch

Mother roll outer diameter: 400mm
